Hatfield is 1986-87 Homecoming Queen

As the band played the song, "Words Get in the Way," Gina Hatfield was named the 1986-87 Homecoming Queen. She is the daughter of Jerry and Judy Hatfield.

Hatfield is Senior Class president, Spanish Club vice president and Den teens vice president. Other clubs that she is associated with are United Service Club, Student Council and Fellowship of Christian Athletes.

Hatfield has been junior, sophomore and freshman class favorite and has also been a trainer for the varsity football team for the past two years.

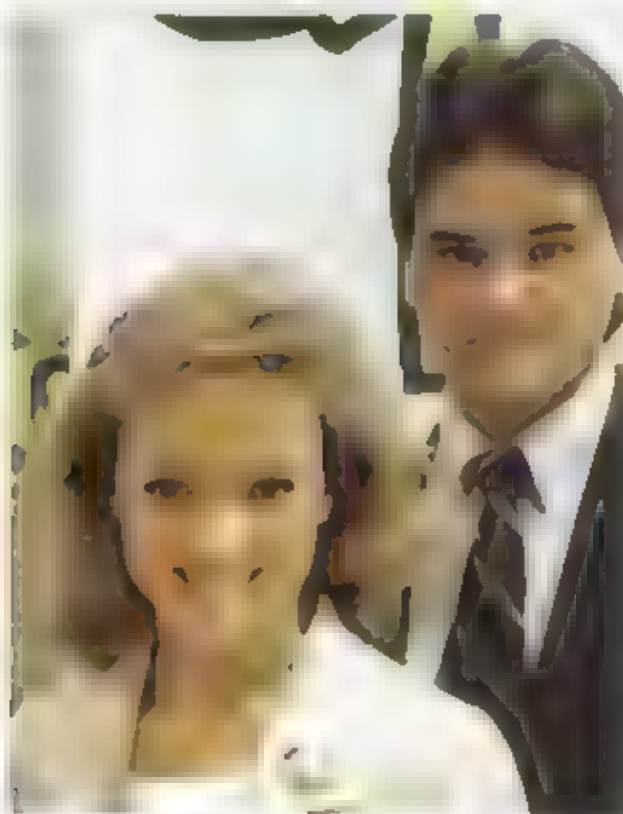

Seniors selected ten homecoming nominees from a list of all senior girls. Students from all grades voted by Scantron ballot for their choice after the homecoming pep assembly. More than 40 organizations chose sweetheart and escort representatives for the celebration. All were presented to the large homecoming crowd at the football game.

AND THE WINNERS ARE . . . — Beth Glass, first runner up and her pep rally escort Chad Clay, left, were presented at the pep assembly. Kendall McKinley, second runner up, was escorted by Dylan Stafford at the pep rally, right. Mr. Glen Rich, Beth, Mr. Jerry Hatfield, Gina Hatfield, Mr. Mike McKinley, and Kendall pose after the crowning ceremony at Munson Stadium. In spite of cloudy skies and showers that preceded homecoming activities, the nominees were presented on the field to a large crowd of fans. Each girl and her father paused while her accomplishments and school activities were announced. The first and second runners up were announced and the winner crowned by Student Council president Stafford.

For the first time in three years it did not rain on the homecoming parade held Thursday.

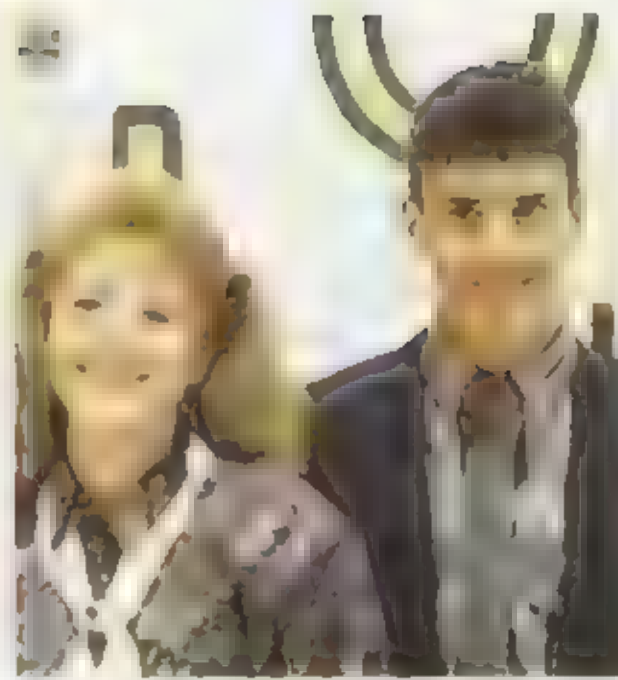

IT'S COLD OUT HERE — The top ten nominees Shawna White, Rebecca Terry, Kendall McKinley, Christy Howell, Michelle Martindale, Tiffany Myers, Gina Hatfield, Beth Glass, Gabe Carney, and Marla Barnhill, hunkered against the cold night, watch the first half of the homecoming game from their platform on the field. The halftime ceremony was the highlight of the evening.

The spirit goes on!

The spirit goes on with the cheerleaders, drill team, colorguard, band, football players, and most important, the fans.

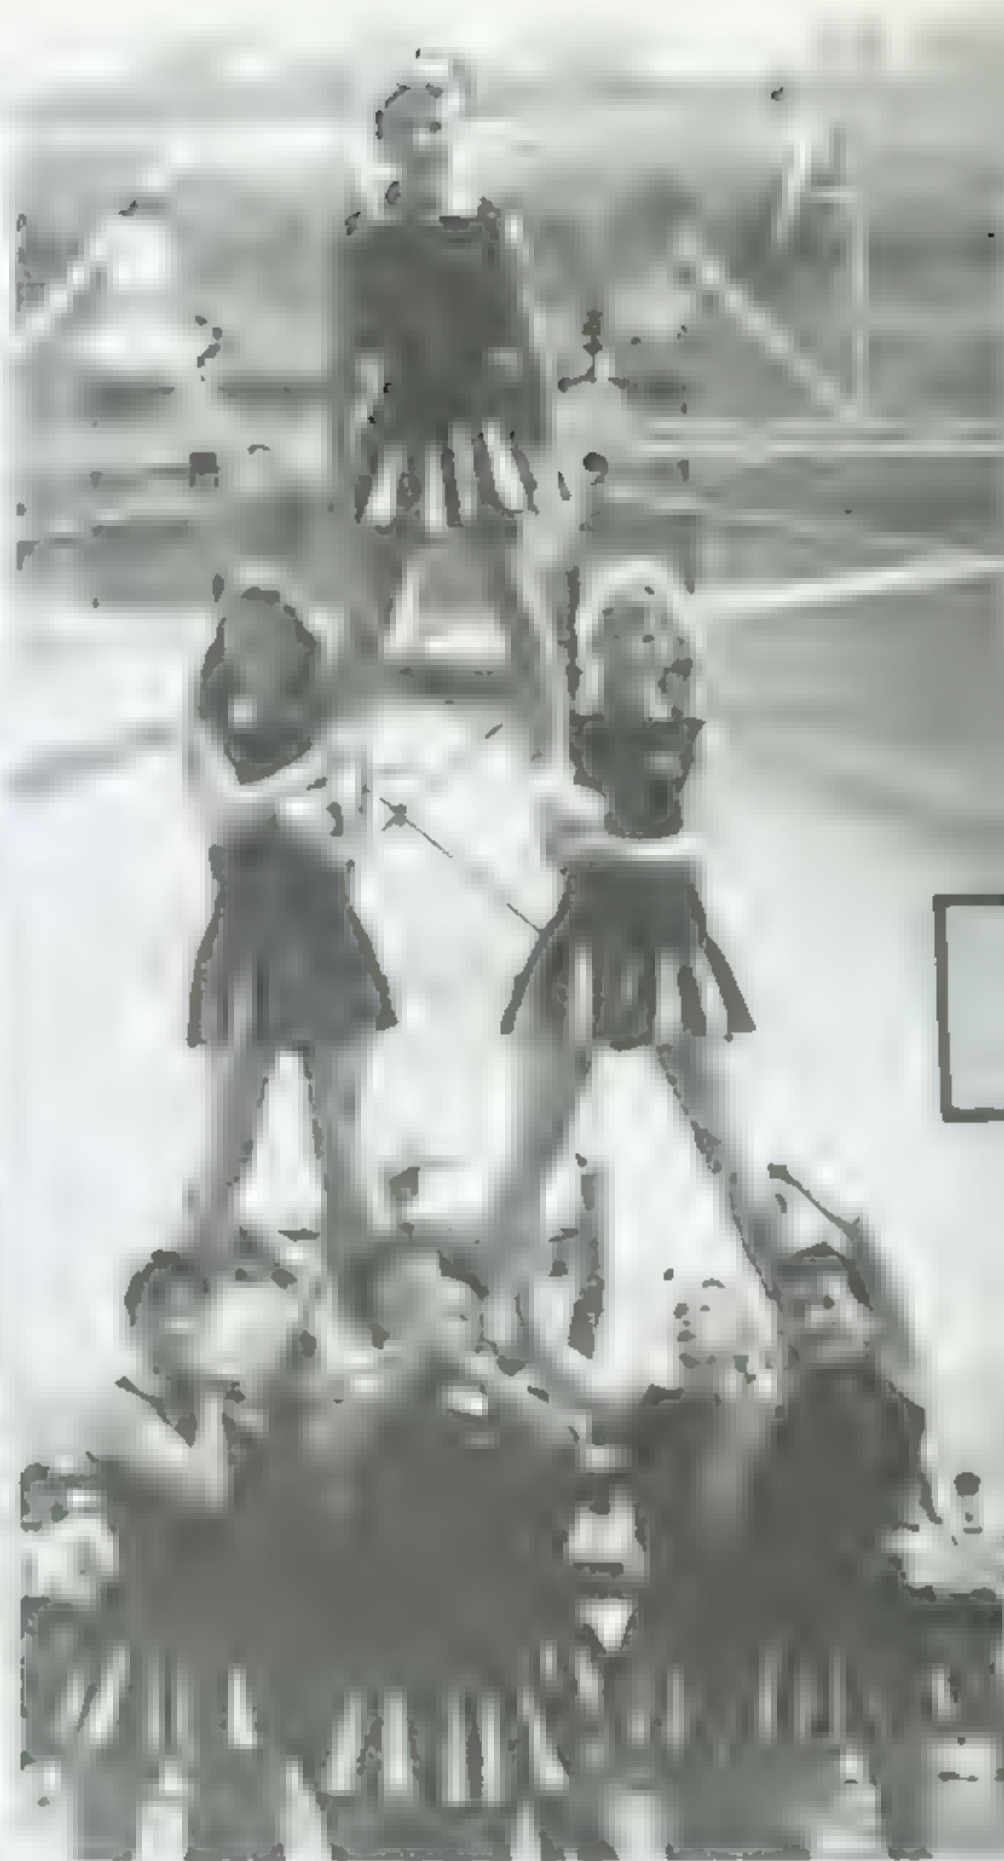

These people have shown, in many different ways, how they loved being a part of Denison High School. Their support has been tremendous and very much appreciated.

Working together as a group has made Denison come so much closer together. It has made the year so much more fun. The year could have never been better without the support of our town.

Hopefully, this spirit is just the beginning. Buoyantly, this spirit will last through the oncoming years. Win or loose the teams need the support.

Denison VS. Sherman . . . A Battle for the Axe!

Spirits were high September 8-12, Sherman week. The students were anxiously anticipating the outcome of the annual Denison/Sherman game. The pep rally that day was the best, spirit wise, all year. At Munson Stadium, the stands were filled with Yellow Jacket supporters cheering the Jackets on to yet another victory over Sherman with a final score of 31-0. After the game, fans poured onto the field to show the Jackets they loved them.

HIGHER AND HIGHER Work scaffolds reach for the sky during construction at DHS. (Photos on this page are by Kim Gardner)

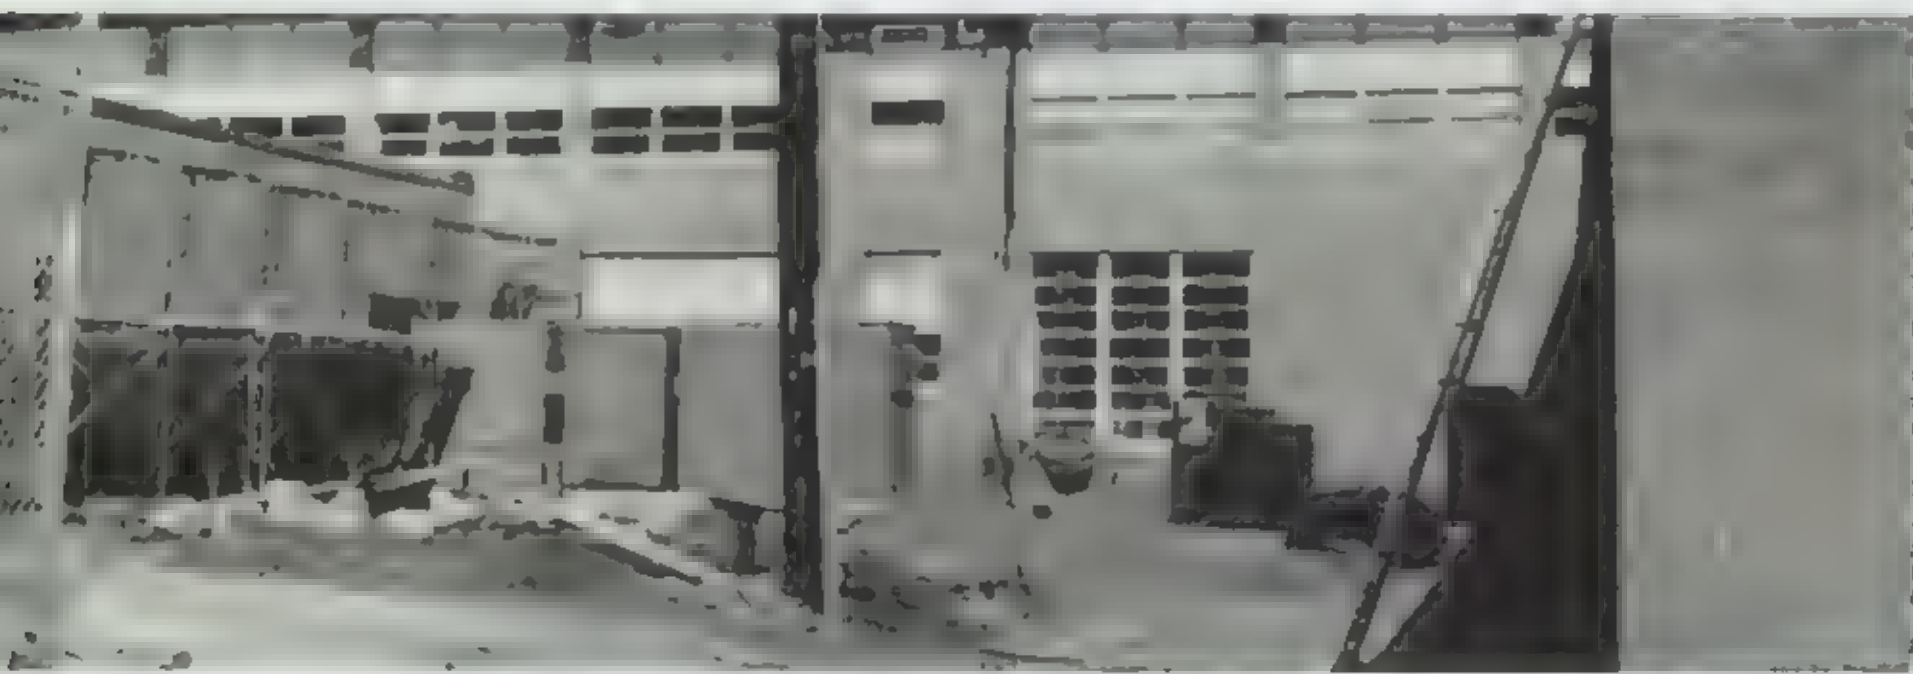

DHS growing better, better

It is hard to imagine that one day Denison High School will have a whole new look and section. Construction started in October of 1985. It should be complete in early 1987. When finished the school will have a larger cafeteria, new vocational and science facility, renovated counseling complex, new journalism room and a new photography dark room. A student commons area will also be new at Denison High. Although the seniors of 1987 will not be able to enjoy the benefits of the commons area for long, underclassmen can enjoy the new area's television, jukebox, snack and drink machines, and small tables with chairs for the rest of their high school years.

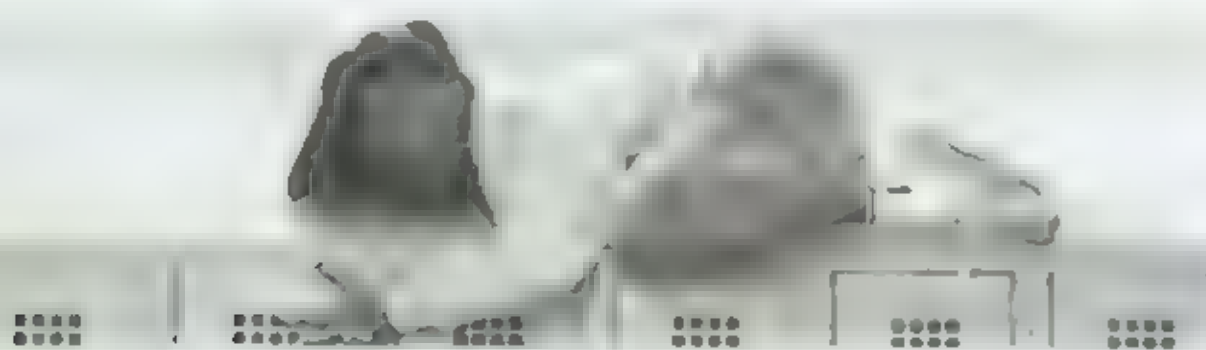

Besides a new physical education facility, students and faculty will benefit from the remodeling projects in the existing building. New faculty workrooms will replace overcrowded ones. Each teacher will have a classroom to use during the preparation period also. The construction project made room for a new trophy case where DHS can display evidence of students' accomplishments.

IS IT FINISHED YET? The new P.E. gym is just about ready. Construction men have been working to complete the gym since the spring of 1986.

SOMEDAY THIS WILL ALL WORK OUT Work begins where one of the new wings will soon be located.

HELP! I'M FALLING! Michelle Martindale hangs on for dear life while on top of the rockers in the new gym.

SLOWLY BUT SURELY The new gym slowly takes shape. (Photos on this page are by Kim Gardner)

Winter formal is success

This year's dance, previously the Spring formal was renamed the "Winter formal." The dance was held on February 14th, St. Valentine's Day, in the newly remodeled D.H.S. cafeteria. This formal is annually sponsored by the Den Teens organization, and the girls ask the guys. The background for photographs was designed by Carmen VanMeter a Denison High senior, and president of the Art Club.

Drama proves hard work pays off

To say that the drama class had a successful year is an understatement. Why? The drama class started off the first semester with students going to contest. Students were able to qualify for state at these contests and the drama

department sent three duet teams and one interp to state competition. The second semester was filled with long hours of hard work as the students prepared for their one act play "MacBeth". With the outstanding directing skills of Mrs.

Sylvia McBrayer the cast won an alternate position. They also had two students named to the all star cast. They were Becky Kircher and Travis Vernon. Karla Redwine was honorable mention.

HANSON'S

HEADACHES

Hanson's Headaches, the select choir at D.H.S., was very active and very successful this year. Two students, Troy Vest, and Roger Hanson, made the T.M.E.A All-Region Choir. Hanson, for the first time in D.H.S history, went on to make the T.M.E.A All-Region and All-State Choirs. The prestigious All-State Choir performed at the T.M.E.A state convention and the A.C.D.A national convention, both in San Antonio. Over the years, Headaches has made a tradition of visiting the elementary schools and performing many popular songs, much to the delight of the younger students. Hanson's Headaches also performs for various civic clubs throughout the year. The select choir is under the direction of Mr. Roger Hanson, Sr. Members of the select choir are Mary England, Amy Zuza, Janet Harp, Kim Key, Colleen Nickerson, Priscilla Crain, Alicia Smith, Wendy Hooper, Suzanne Tripp, Becky Kircher, Jodie Smith, Wendy Shearer, Kim Leach, Tanya Garnett, Jenniter Johnson, Connie Lambert, Carla Potts, Troy Vest, Mark Thompson, Marcus Jackson, Dylan Stafford, Yancey Yeargan, Joy Jennings, Diana Smith, Christine Patti, Debbie Draper, Mike Hales, Deron McCraw, Anthony Edgemon, Roger Hanson, and Darren York.

STUDENT COUNCIL

STUDENT COUNCIL SPONSORS ACTIVITIES

Student Council had one of the most successful and productive years ever. The year started off with the officers and committee chairpersons helping with registration. Members also sponsored a car-window wash before school started. As an attempt to increase membership, Student Council held registration for the club during freshmen orientation. The result was an all time high membership of 194. Mrs. Cathey Williams, the new Student Council sponsor and activities director, proved to be an excellent sponsor who dedicated much of her time and talent to the worthy organization. Student Council added a new activity to the club's busy agenda. Officers added a new and creative touch to the morning announcements. Each officer was responsible for making the announcements one day a week. Officers also were able to have "special guests" help them make the announcements. As every year, Student Council was again in charge of the Homecoming parade and pre-game activities. This is one of the biggest times of the school year and much planning and organization is required to produce a successful Homecoming. Members acted as parade marshals and made sure the parade ran smoothly. As the year came to an end, a picnic and volleyball game was sponsored by the Student Council. This allowed members to eat, socialize, and have fun before the end of the year. Student Council is one of the best clubs at D.H.S. It offers an opportunity for students to become more involved in school life and meet friends. Everyone should be involved in this excellent organization.

Neewollah rocks 1986

Neewollah is sponsored every year by the Den-teens Club. The candidates are chosen by class members to run for royalty. Members of royalty have to collect five-cent votes from fellow classmates. The candidates with the most votes win. A talent show entertains the audience before royalty winners are announced. This year's show was a huge success for the Den-teens Club.

Stinger grows

The Stinger Staff has produced a student newspaper for Denison High School for the past 19 years since Mrs. Kay Casey, adviser, came to teach here. This year with the new working facilities staff members have been learning to use computers provided by the Denison Education Fund to design the Stinger.

Dawn Williams, Barbara Ross and David Hintz have earned their letters in journalism this year for working in student publications for three years.

F.F.A. works hard all year

The Future Farmers of America had a very successful year. They attended many shows and contests and won many awards. Several students attended the State Fair of Texas. Those attending were John Clapp and Melissa Pauley. Clapp exhibited a polled Hereford which made the sale. The F.F.A. students also attended all-district F.F.A. meetings once a month. Thomas Anderson attended the Southwestern Exposition and Stock Show in Fort Worth.

Future Teachers gain valuable experience

The Future Teachers of America had several activities this year. At Christmas, they sponsored a barrel for canned items of food. When Easter rolled around, FTA members sold Bunny Grams so that students could send Easter messages. On May 18, senior members went to Lamar Elementary School to teach for a day. The teachers and students enjoyed having them there. Officers for 1986-87 were: president, Priscilla Crain; vice-president, Kim Key; treasurer, Deron McCraw; and secretary and sweetheart, Emily Peake. The sponsors for the club are Mrs. Elisabeth Williams and Mrs. Jewell McKnight.

Students perform well at UIL competition

Denison High School students attended UIL competition this spring and performed quite well. As a result of much hard work and effort, DHS became the UIL Spring Meet Sweepstakes winner for the first time in school history. Students participating in literary events compiled an overwhelming 154 points while one-act plays added 25. Boys and girls track compiled 64 points while the golf team contributed their share of 40. The tennis team successfully gained 80 points which gave DHS a total amount of 363 points in the over all competition. The next closest score was only 253 points belonging to Boswell.

Later in the year, choir and band students attended the UIL State Solo and Ensemble contest in Austin. Roger Hanson earned a first division rating and a gold medal for his vocal solo. Priscilla Craft and Darren York, also performing vocal solos, earned second division ratings and silver medals, as did Staci Foster, Steve Allen, and Lynn Ramsey for their instrumental solos. An experimental percussion ensemble won a first division rating and another experimental ensemble of choir and band students earned a second division rating. DHS is very proud of all its spring UIL competitors.

Seniors enjoy last gathering

Because of the senior play, "Squad Room," the seniors were able to have one last party in the new commons area. The proceeds from the play bought sandwiches and drinks for the seniors to enjoy. The party gave the graduates a chance to exchange name cards, sign memory books and just have a good time. The senior sponsor is Mrs. Helen Griffin who with help from Mrs. Gene Sickles and Mrs. Cathey Williams made the many sandwiches seniors devoured. Seniors thanked the teachers for making the party possible.

Friends Forever . . . A prom to remember

The juniors, as always, did a wonderful job decorating for the prom. The Silver Wings Club was the site of this year's prom. Purple and pink helium balloons were abundant as couples entered the

majestic affair. The music was very good and the refreshments were even better. The dresses and tuxes were more beautiful than ever. The theme, "Friends Forever," was a title that represented the

many years seniors have spent together. A highlight of the evening was a song, "That's What Friends Are For," and it was sung by Roger Hanson, Priscilla Crain, and Dylan Stafford.

Class of '87 marches forward

Approximately 250 young men and women were escorted on the field at 8.30 P.M. in Munson Stadium Saturday, May 30, 1987

The commencement exercise started with the Pledge to the Flag which was led by Dylan Stafford, Student Council president and the invocation which was said by Gina Hatfield, Senior Class president

Both the valedictory and salutatory addresses pointed out that what one does with his life from now on decides if he would be successful or not. There are many choices to make and roads to take. One should set his goals and choose the roads that are needed to achieve those goals

Dr. Thomas E. Anderson, deputy commissioner of education for Texas, gave the commencement address. Anderson is a graduate of Denison High. He is the son of noted Denison educators Mrs. Madeline Anderson and the late Mr. T. E. Anderson

The Alma Mater was led by the Golden Band and sung by Priscilla Crain, Roger Hanson, and Marcus Jackson

This year's seniors showed their spirit at games and pep rallies by throwing confetti. This gave them the name Confetti Seniors. Before the Alma Mater began all 250 seniors threw their confetti one last time! (By Beth Glass)

*I thought that we deserved the stars
To shower us in golden light,
And symbolize the dreams of ours
That shined, on graduation night.*

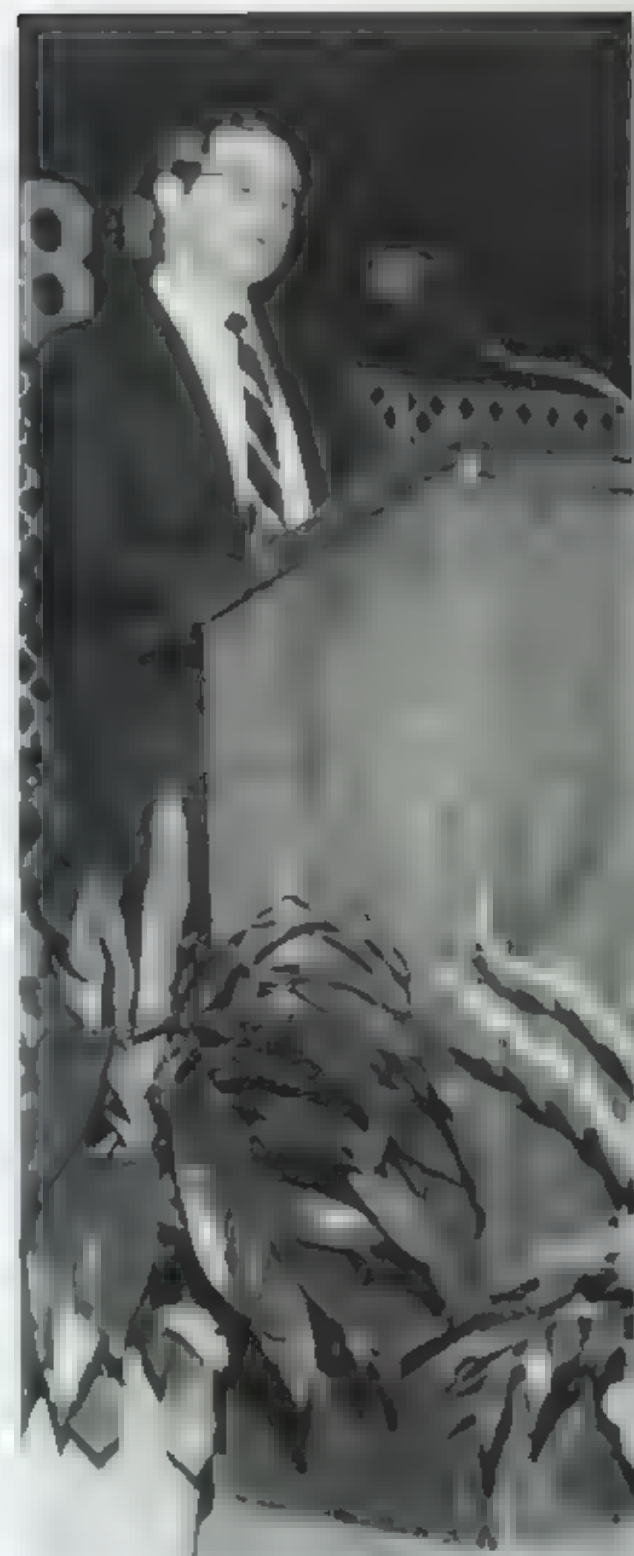

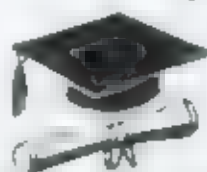

*But clouds were draped across the sky
When, grouped in lines, we heard the tune
And only saw, as we walked by,
A sliver of a silver moon.*

*It glistened high, a gift unknown,
And patiently it watched us take
The step that proved we're finally grown
And now have future lives to make.*

*Unlike the stars (our separate dreams),
The moon was lit for every grad,
And bound our lives with misty beams
Of moonlight, of the times we've had*

*That night we shared the hugs, the tears,
The good times, that will very soon
Be treasured moments, through the years,
As just a sliver of our silver moon.*

Valedictory Address — 1987

Good evening. I am honored to stand before you tonight as the valedictorian of the class of 1987

Throughout my years of education, I have had some excellent teachers. A small portion of each of their lives has molded me into the person that I am. I extend a warm thank you to all of these teachers

In this special moment, I would like to share with you Robert Frost's poem, "The Road Not Taken."

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth,

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear,
Though as for that, the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black
Oh, I kept the first for another day!
Yet knowing how way leads on to way
I doubted if I should ever come back

I shall be telling this with a sigh
Somewhere ages and ages hence
Two roads diverged in a wood, and I
Took the one less traveled by
And that has made all the difference

Tonight, we graduates begin our journey down that road that leads to our future. We are standing at a crossroad and life is presenting many options. We may choose roads that will lead to college, to a career, or to marriage. Whatever road you choose, I would like to share some steps that can be taken to make that a smoother path.

The first step is to set some goals for our lives. We should always have a dream to strive for in life. After we have set these goals, we should give one hundred and ten percent to reach them. Never give up. Every goal is attainable through dedication and hard work. Always give the world the best you have and the best will come back to you.

Next, seek happiness on your journey. All too often, the society of today measures happiness and success by the amount of money you have, or the position in life you hold. I believe happiness is enjoying what you do. True happiness will come when you do your best at whatever you choose to do in life.

Finally, and most importantly, carry a friend along on your journey. This friend is Jesus. In his letter to the Philippians, the apostle Paul stated, "I can do all things through Christ who strengthens me." This is great advice to us, as graduates. God has a plan for each of our lives. I challenge you to seek the plan God has chosen for your life.

It is true that graduation is the ending of an important part of our lives. However, it is also the beginning of a new walk. I challenge you to make that a happy and prosperous journey. Hopefully, someday, someone will be able to say our walk has "made all the difference."

Thank you,
Shonda Tillery
Valedictorian
Class of 1987

Salutatory Address — 1987

Dr. Jacobs, Mrs. Peters, Members of the School Board, faculty, family, fellow graduates, and distinguished guests, welcome to the commencement ceremony of the 1987 Denison High School graduating class.

Tonight's graduation is a symbol of our accomplishments over the last twelve years in the Denison School System. During this time, we have worked diligently at every aspect of lives in order to better prepare ourselves for the future. We have all been willing to commit ourselves to an educational process that we hope will lead to continuing success. Along the way, we have encountered many challenges, but above all, we have finally made it!

I am proud to say that the 1987 class of Denison High School is leaving an indelible mark on school history. For the first time, Denison High School has three National Merit Scholars among its graduating class. Our class has produced first place state UIL academic winners in science and debate. We have also won the academic sweepstakes for our district and have accomplished many other outstanding feats on the athletic field, in vocational programs, and in the classroom. Each graduate here tonight shares one thing in common: each has helped to bring state-wide recognition to Denison High School and to the City of Denison. No longer is Denison a disappointment in either academics or athletics. We are champions!

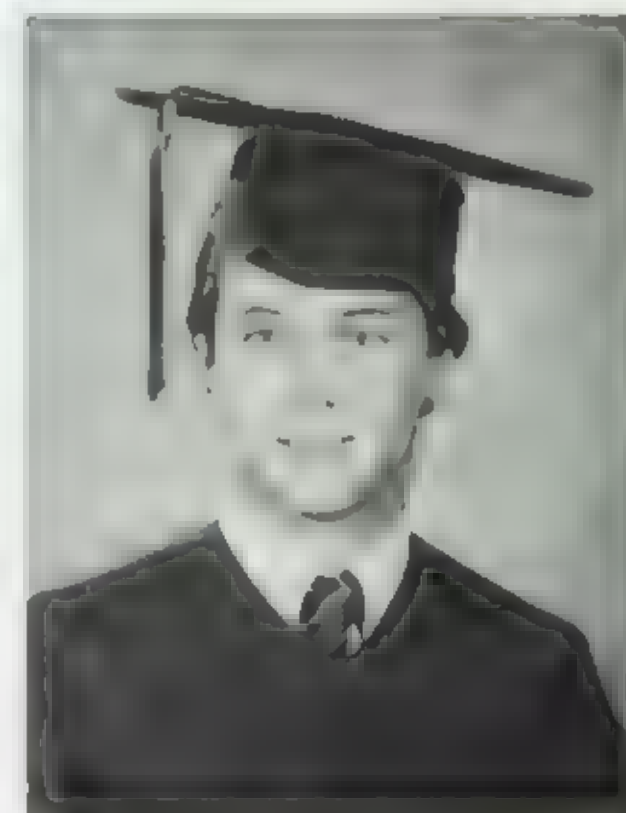

Behind us we have many valuable high school experiences that should serve as a source of inspiration for both the present and the future. But in the words of George Washington, "We ought not to look back unless it is to derive useful lessons from past errors, and for the purpose of promoting by dear bought experience." Instead, we must focus our attentions on the future and dedicate ourselves to the achievement of worthwhile goals.

In order to reach our goals successfully, we must take advantage of every opportunity set before us. Francis Bacon once said, "A wise man will make more opportunities than he finds." We, too, must go out into the world and create opportunities instead of waiting for them to happen. If we strive in this manner, then we will be rewarded.

Our quest for success should by no means be done alone. We must give help to those who need it and receive help from those who offer it. We have a personal obligation to share our success with others, for this is the only way by which mankind has ever progressed. Thus, by helping others, we are really helping ourselves.

I am thoroughly convinced that each member of the 1987 Denison High School graduating class has the God-given talent to achieve success. By being able to participate in this commencement ceremony, each of you has shown that you have both the desire and the perseverance to make it in the world. Tonight I urge you not to stop at this point. Instead, strive to make your lives count. By doing this you will guarantee yourself happiness and success.

STUDENTS HAVE FUN AT SCHOOL...

These students and Mrs. Finley show how much fun they have during school. Some people say school is all work and no play. At times it is that way, but teachers tend to make class a little more fun by adding a bit of humor to our lessons. There are always those days where the teachers do not add a little fun to the class and give a lot of work. That is what makes the students look forward to the next day. The students need the added enjoyment in their lessons. This gives them more reason to enjoy and come to school.

Spanish Club says "Fiesta"

Because of the state requirement of each freshman, sophomore, and junior to have two years of a foreign language, Spanish is a very popular elective. This has caused the Spanish Club to be one of the largest clubs at D.H.S. The club had a nacho party in the fall where they learned Spanish dances. At Christmas they had a pinata breaking party where they gave gifts to needy Hispanic children in this area. In the spring they had a dinner at El Chico and Spanish II took a field trip to Dallas. The year concluded with a dinner where the Spanish classes put on skits of fairy tales in Spanish. The Spanish Club sponsors are Mrs. Sue Finley and Mr. Kathy Wade.

HSBHS works in micro/zoo

The National High School Biological Honor Society is composed of students in the honors biology classes such as microbiology, zoology, and Honors Biology II.

The students have lab classes every Monday night and go on field trips. Microbiology students receive eight hours of college credit for the course. They must, however, maintain a "C" or better average in order to receive the credit to transfer. Academic award winners for Micro/Zoology are Steve Williams, Wendy Hooper and Rebecca Terry. Honors Biology winners are Jason James and Jeanne Kim. Club sponsor is Mr. John Perry.

DHS Students Can't Be Accused of Illin'

Everybody has heard the song "You Be Illin'", and that is one thing these students can't be accused of. No day is a boring day here because when it's beginning to get a little dull, a little drab, or a little dreary, there's always something special waiting around the corner to brighten the day. A pep rally, a school dance, a basketball game, or maybe an assembly keeps everyone up. Students here are enthusiastic and find so much recreation in themselves, there is no time for boredom. In homerooms, the students play games like Wheel of Fortune and hangman. The teachers also provide students with games to play. But there is time to relax and take it easy. Teachers really don't mind if you sleep in homeroom, but during class that is a no no. Who wants to stand to a forty-five minutes and lecture to a bunch of kids who are dead to the world? So if you see us kicked back and just observing, we're only chillin' not illin'.

Offices, LRC benefit from student assistants

Working in the office is a big responsibility. Students learn to answer the phone in a pleasant matter, handle documents, and keep confidential matters to themselves. Students chosen to work in the office are under constant evaluation. Students who do not do what is expected of them are not permitted to re-enroll in the office next semester. Working in the office can be a fun and rewarding experience.

Micro-zoo tours gardens

This year, the Honors Microbiology Zoology class, under the instruction of Mr. John Terry, traveled to the Fort Worth Zoo and the Japanese Gardens for their annual field trip. Different cultures meet

Four exchange students, three girls: Satomi Yamazaki from Japan, Barbara Burgert from Germany, Christina Ljungqvist from Denmark, and one boy, Heikki Vepsalainen from Finland right, attended DHS this year. Heikki played football on the varsity team and in the spring he ran track. Satomi was a manager for the Colorguard. Barbara and Christina both played Basketball on the J.V. team. Barbara also ran track.

All four enjoyed their stay in the U.S.A. very much, and would like to come back to visit their host families and friends again if they ever get a chance.

N.H.S. leadership day is success

The National Honor Society sponsored its annual leadership day. This unique program allows students to take active roles in the school. The students, who are either NHS members or club presidents, switch roles with faculty members for a day. This activity is always a fun experience for both the students and teachers involved. Many students find it fun and amusing to be taught by their fellow classmates. Teachers enjoy having a day off and giving helpful advice to the "substitute teachers." This year, Craig Talley, NHS president, took the role of Mrs. Jackie Peters and did a very good job. Dallas Porter, NHS member, eagerly took the role of vice-principal, Mr. George Petrus.

Academic Fair travels through history

The 1987 Academic Fair was held May 21, in the commons area before and after the annual awards assembly. All participants were from the high school with the language and history classes making up the majority of participation. The Junior Historians dressed in garb from different times in history. Shawn McBrayer is the club president. The sponsor of this annual event is history teacher Mr. Keith McBrayer, who recovers his Civil war outfit from the closet each year and dresses in full costume for this event.

Basketball bounces to the top

The 86-87 basketball season began with the Jackets winning over Greenville, then losing the next two games to Paris and Sherman. But, the Jackets had a never-say-die attitude and they bounced back to compile a 9-8 non-district record. The Jackets won their first two district games over Justin-Northwest and Boswell. The Gainesville Leopards came to town and won a hard fought game that went to the wire. The Jackets got one more win over the Colony and then lost a heartstopper to Allen 67-66. As the district race tightened, the Jackets did what they had to do to get in the playoffs by winning their next five games.

The Jackets took the zone title crushing the McKinney Lions 86-47, then fell to Dallas Hillcrest in the bi-district contest.

Moore makes 4A all-state

Senior Stacey Moore was the first Yellow Jacket to be named to the TSWA's first team. Junior Duone McFadden being named to the second team made it all better. "This just has to be the greatest thing to ever happen in basketball here," said coach Bob Clayton. "Certainly, I believe Stacey and Duone are deserving, but some of the best players don't ever win this honor," the coach said.

McFadden was Denison's flashy performer this past season because of great jumping ability. Moore was a talented player that often led his team with the highest scores.

Fans help basketball

Basketball fans play an important part in a game. The screaming gives the team encouragement and a lot of support. When the players get tired, the fans help pep them up and give them that extra incentive to play on to victory. After the games, the fans swarm onto the courts to show the team that they are behind them one hundred percent and start pumping them up for the next game.

Freshmen have super season

The basketball season began with the Jackets losing their first three games to Greenville, Paris and Sherman. It seemed the Jackets' season was already over and they would have no hope of winning district.

But, this season the freshmen had a never-say-die attitude and they bounced back to win their next five games. This included two convincing wins over McKinney and Sherman. This gave the Jackets new confidence as they headed into district.

The freshmen won their first district game against Justin North West, then lost to Boswell and Gainesville. They recovered by winning their next five games and traveled to Gainesville with hopes of tying for the district title. But, Gainesville had too much height and the Jackets finished the season with a 7-3 record. By Jose Escobar

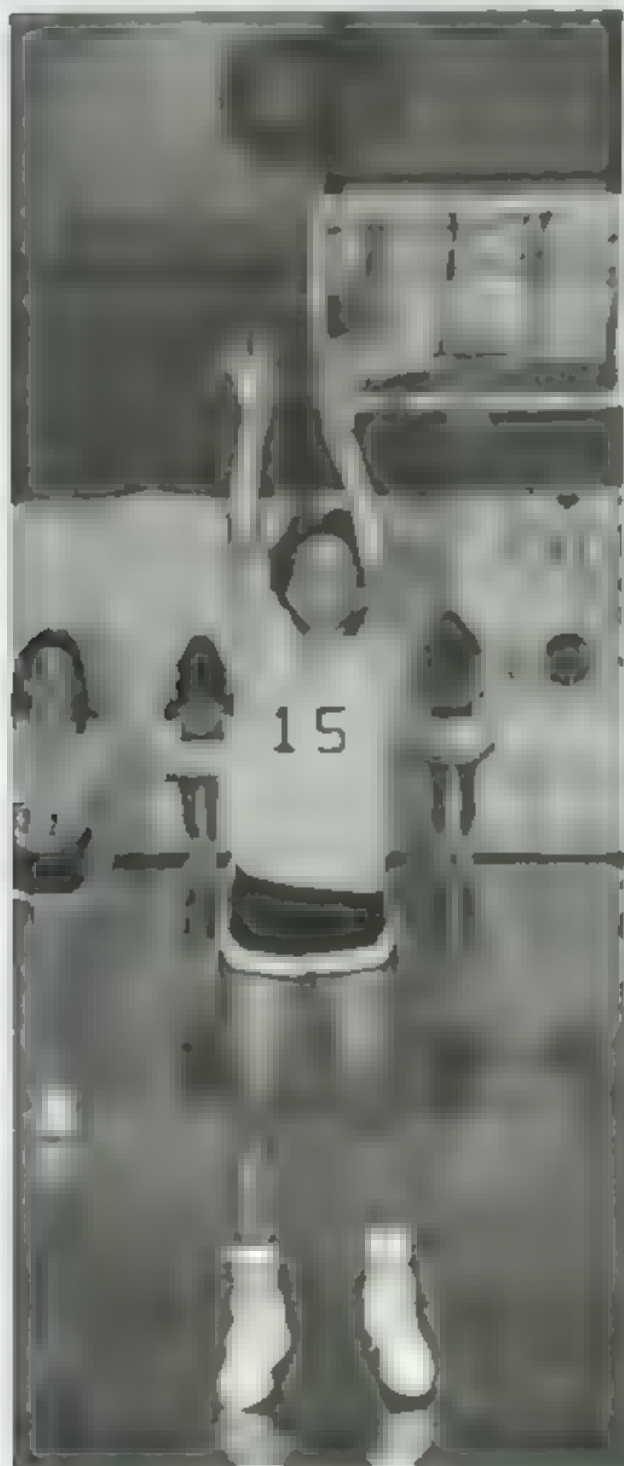

New Coach works well with Lady Jackets

This year the Lady Jackets new head coach was Tom Penny.

All the coaches worked very hard with the girls, and it really paid off. The Varsity Lady Jackets had a 14-18 record, and they showed great improvement from last year.

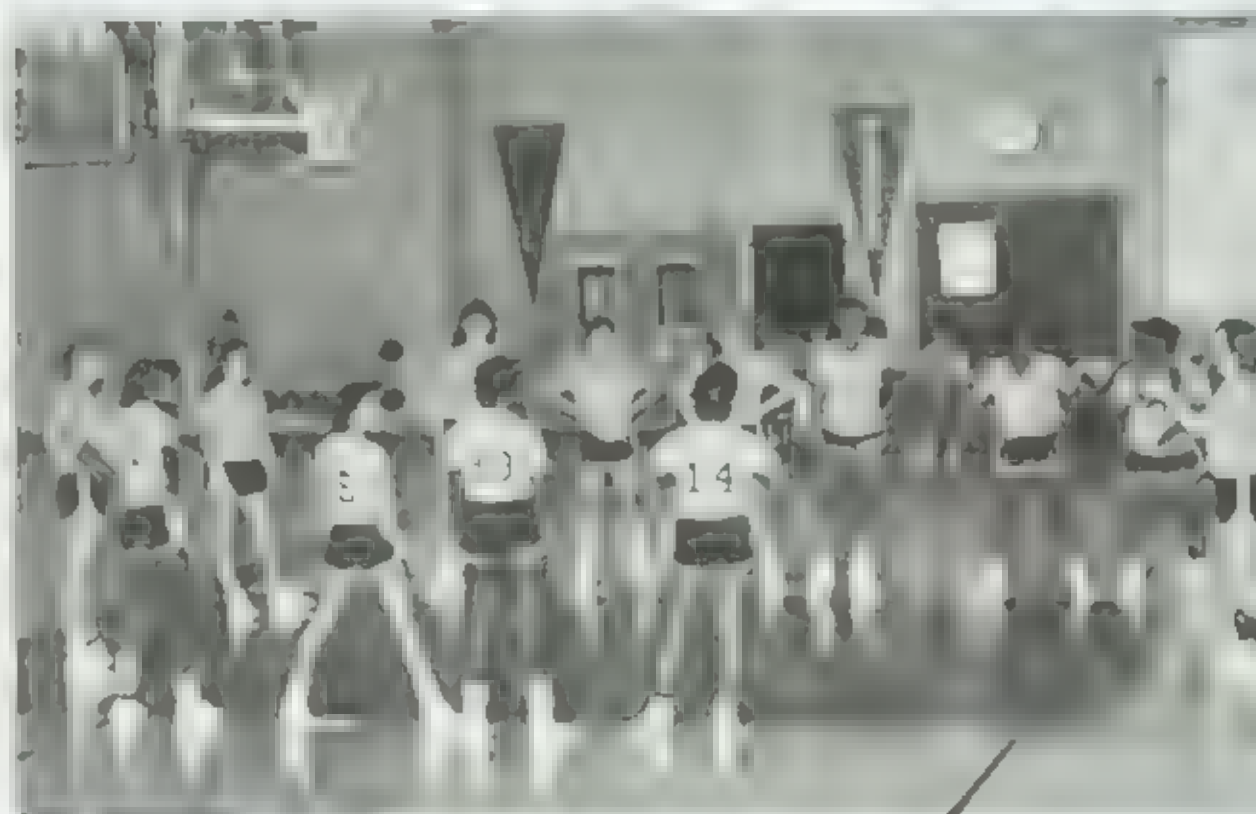

The team is losing one of it's best players, senior Neil Wyatt. Nell was named to the All-Star team. Returning outstanding players are Shelli Taylor and Sherita Moore. They were named to All-District first team. Cheryl Spray was named to the All-District second team.

Lady Jackets compile best season record

The Lady Jackets got off to a good season with new coach Tom Penny and several returning players. Team captains were Nell Wyatt, senior, Shelli Taylor, junior and Cheryl Spray, sophomore. The Lady Jackets' district record was in the winning column, 8-5. The young team had only one senior starter and played a rough non-district schedule to prepare. Their season record was 14-18.

District winners!

The 1987 Denison Yellow Jacket golf team had their most successful season ever by advancing to the regionals after winning the district championship.

Going into the 1986-87 season Coach Osburn Davis had a reason to be optimistic because the Jackets did not lose any golfers to graduation. The Jackets played during the fall, but when the spring came around the scores started falling.

The Jackets entered two five man teams in the district tournament. The first team won the district title with a score of 302.

Matt Looney led the champs with scores of 81 and 74. Chris Fulton was next with 81 and 76. Denison had great play from Lance Jones, Michael Beeson, and Scott Spencer. Jones finished with a good tournament score but was disqualified. Spencer shot 83,76 while Beeson shot 83,81. The second team finished third led by Phillip Davis and Chuck Woolly.

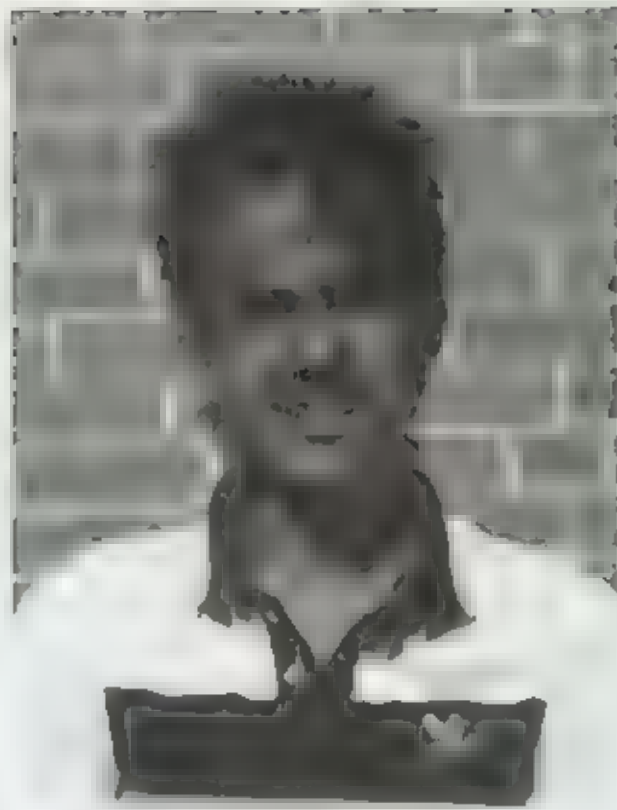

By winning the district the team advanced to the regionals. The Jackets lost two players due to grades so Davis had to fill in.

The Jackets were again led by Looney with 77 and 75. Spencer had 79,77, Jones 80,80 and Davis shot 80,86.

This year was the first of many good years for the golf team. "I was real proud of the guys and Looney's performance shows what could be a trend for us", said coach Davis.

Jackets place second at district

The Jackets finished second in the district track meet in Gainesville and also won the Grapevine Relays this year. Coach Pier remembers, "The 1987 track season as being filled with excitement, great moments, and fond memories. It was a great year in spite of all the injuries we suffered."

The sprint relay consisting of Michael Brown, Junior Dade, Brewster Waddles, and Gary Wilson and the 1600 meter relay consisting of Brian Gray, Allen Stephenson, Brewster Waddles, and Gary Wilson both placed second advancing to the regional meet. The spint relay finished fifth at regional

Allen Stephenson placed fourth in the 400 meter run. Junior Dade won the 100 meter dash and placed third in the 200 meter dash making him a regional qualifier. "I was pleased with Junior's effort and look forward to having him for three more

years.", Coach Pier said. Brewster Waddles also placed in the 200 meter dash and long jump coming in fourth in both. Scott Marr placed fourth in the 800 meter run. Curtis Madden qualified for regional in the discus placing second. While Lance Lindsay came in third in the 110 meter hurdles and Marcus Flemmings placed third in the 300 meter hurdles. Claude Bell finished a strong third in the 3200 and 1600 meter run. Coach Lanny Pettit was delighted with Claude saying, "He has done very well this year especially since it has been his first year to run."

Coach Pier was proud to have tracksters like Gary Wilson and Paul Fulton and said, "Fulton and Wilson lead the state in 400, 3200, and 1600 meter run." Gary had a spectacular year with an invitation to the Texas Relays in which he placed second, this being his first defeat of the year. He

continued to win every race winning the district race and going into the finals with the best time

Paul Fulton had a great start this year, but his season almost came to an end with a bout with pneumonia. "I was scared that Paul's season was over, but he was determined to come back and he did," said Coach Pettit. He won district in the 3200 and 1600 meter run and placed second in 3200 and 1600 meter run at regional. At the the state meet, he knocked off fourteen seconds placing third in the 3200 meter run. "It felt so good out there!" Paul said.

Lady Jackets dominate district

The Lady Jackets won their second district title in three years. Coach David Norman believed the key was in winning all three relays. The 400 meter relay consisting of Laura Ballou, Kim Jones, Tasha Locke, and Tasha Miller was clocked at 51.24, the 800 relay consisting of Laura Ballou, Chiniqua Butler, Tasha Locke, and Tasha Miller left everyone in the dust with the time of 1:51.55, and the 1600 meter relay ran a 4:25.03 with their strong legs run by Chiniqua Butler, Michelle Martindale, Kim Morrison, and Jennifer Young. Kim was so excited for the girls. They

really shined today," Coach Norman said.

There were several other district champs. Jennifer Young won the 800 meter run for the second year in a row and placed a close third at regionals. She was an alternate to the state meet and set the school record at 2:23.03. Kim Jones won the 100 and 200 meter dash. She qualified for the finals in the 100 meter dash at regionals and set the school record at 12.14. Freshman Tasha Miller won the long jump and qualified for regionals. Kim Morrison placed second and qualified for

regionals. She also set the school record with the jump of 5'0". Nell Wyatt suffered a knee injury two weeks before the district meet, but still was able to qualify for regionals. "Nell showed a lot of courage," replied Coach Norman. She placed third at regionals, setting the school record at 36'11", and became an alternate to the state meet. She also ran on all three relays at regionals. Coach Norman said, "The 1987 season was a great year. I really enjoyed all the girls and appreciate their commitment."

Jackets post 13-13 record

Though the baseball team did not qualify for the state playoffs for the first time in four years, it did have a successful season with a 13-13 record. The Jackets were a young and inexperienced team that exceeded a lot of people's expectations in posting the .500 record.

The Jackets' season started out on a good note as they defeated Sherman 9-6 behind the pitching of Matt Sullivan, then opened the McKinney tournament defeating Rockwall 3-2 behind Chester Wilson's pitching. Taking a 6-8 record into district play, the Jackets scored wins against Justin, The Colony and Allen while losing to Boswell and Gainesville. They finished district with a 7-5 record.

Principals conquer challenging year

The principals have many different jobs. Some of those jobs are evaluating personnel, taking disciplinary actions when rules are broken, making sure that teachers have the right supplies for teaching, and planning and making arrangements for the upcoming school year.

Mrs. Jackie Peters has been principal for three years after she was an assistant principal for five years. This year has been a real challenge for Mrs. Peters as she coordinated the construction work with classes and activities.

Mr. Bill Parker has been an assistant principal for seven years. He has just completed five years of service to the city of Denison as a city council member.

Mr. George Petrus has been an assistant principal for eighteen years. His challenge this year was to oversee refinement of the computerized grading system. The change over to computer generated grades resulted in report cards and honor roll being figured by the computer. As the system progresses it will provide computerized permanent records for all students

Memories Last Forever . . .

High school years, as tiresome as they may seem, hold very special memories. As we enter adulthood, we realize that those years in high school are actually the best years of our lives. All the good times should never be forgotten and that is why the members of the 1986-87 yearbook staff have worked as hard as they have to produce for you the best yearbook ever.

This year has produced the "Confetti Seniors", state winners in choir, band, debate, science, track, and basketball, the "Amigos", a district winning golf team (for the first time in recent history), and a "Miss Texoma." As editor-in-chief of this yearbook, it has been an extreme privilege to cover such an exciting and successful year. Of course the production of this yearbook would not have been possible without the diligent hard work of the staff. Their talents were a real asset. Our adviser, Mrs. Kay Casey, was very patient with all of us on the yearbook staff. Even though we were quite often loud and rambunctious, Mrs. Casey always put up with our antics.

As a senior, I have many regrets about leaving Denison High School. Good-byes must be said to many close friends, but I know that the memories will live forever. I hope that you will realize that when you begin to miss your friends or the good times you shared, this yearbook has the power to bring those friends and memories back. I wish you all the best of luck always.

Sincerely,

Roger Hanson
Editor-in-Chief
Yellow Jacket Yearbook

Note: A very special thanks to Weny Hooper for her help with the cover design.
